Let's get it quite clear right from the start, I have agreed to take charge of team affairs once again here at Burnden Park on a purely temporary basis. I have been through the mill myself and I've made it clear to the directors that I do not want the manager's job. However, things have happened in such a way that I was asked to look after the team until another manager can be appointed and because of my love for the club I'm prepared to do it.

As far as I am concerned we started afresh on Monday morning at 9 o'clock. Whatever has happened

## NAT'S MESSAGE TO THE FANS

in the past the slate is wiped clean and we've got to knuckle down straight away and make sure things start to improve on the field.

I met the entire playing staff on Monday morning, from the youngsters who are here on the YTS scheme, right through to the senior pros and I impressed on every one of them that there has got to be total respect and dedication for the white shirt of Bolton Wanderers.

They have all promised me total commitment to the club — not that they haven't been showing that up to now. But they know that the club comes first.

I've tried to get everyone involved. On Monday I asked the senior players to take the training while I looked on. I see no harm in letting them offer their own brand of advice on training matters — not tactics of course.

I believe players respond to that sort of involvement. If one or two of the lads aren't in the team one week, for whatever reason, I want them to travel together to watch future opponents in action so that they can see for themselves what they will be up against in the next few weeks.

It's many years of course since I was involved in team

affairs and there have been many changes. My job in recent years has involved the Executive Club and the Burnden Lifeline Society. But the object of the game is still the same — it's all about putting the ball into the back of that net and that's what I want us to concentrate on.

I've seen Tony Caldwell and George Oghani do that so often in training this week and that's impressed me. I intend to encourage them to get into that habit in the hope that they can reproduce the same results when it really matters — on Saturday afternoons.

But Bolton Wanderers Football Club is not about just one man or a couple of players.

I'm just one of many people from the laundry staff and the groundsmen right through to the directors who have got to be involved in pulling together in the same direction to take Bolton Wanderers back up this League table, starting this afternoon.

Chesterfield are our visitors and I welcome them to Burnden Park — their players, fans and officials and hope that we all see a fine game of football.

## CHESTERFIELD

### CHESTERFIELD SETTLE DOWN

by Tony Pullein

Chesterfield, who won the Fourth Division Championship in style last season, are now settling quietly back into Third Division football. Manager John Duncan is no doubt hoping to consolidate during this present campaign, in preparation for another jump up the ladder in a couple of years.

Mr Duncan took charge shortly after the club had been relegated to the Fourth Division in 1983. He realised a complete rebuilding job had to be done and he has since then created virtually a new team. Only defender Shaun O'Neill and midfielder Steve Kendal have survived his axe. These are the only two survivors of Chesterfield's 1983 relegated team who have appeared in the first-team this season.

While the initial re-structuring was going on in 1983/84, Chesterfield finished in the middle of the Fourth Division. But they started last season with four successive victories and in one spell remained unbeaten in 13 games. They finished with an unbeaten run of six matches to take their points tally to 91 — five ahead of runners-up Blackpool.

When promotion was achieved, Mr Duncan made further new signings. Forward David Caldwell (Mansfield) and midfield players Paul Batty (Swindon), Charlie Williamson (Sheffield Wednesday) and Tony Reid (Newport) all arrived at the Recreation Ground during the summer.

The Spireites made another brilliant start to the current campaign, winning their first three matches. That included their first away victory at Cardiff City (2-0) but they have not yet been able to add to that away success though they have drawn at Gillingham (1-1), Derby (0-0), Bristol City (0-0), Plymouth (0-0) and Swansea (1-1).

Chesterfield have been beaten at

Walsall (0-3), Reading (2-4), Notts County (1-2) and Brentford (0-1).

They took early exits in both Cups. After drawing 2-2 away to Bradford City in the first round of the Milk Cup, they were beaten 3-4 at home, after extra-time, in the replay.

Their F.A. Cup fate followed a similar pattern. They achieved the difficult task of drawing at Tranmere (2-2) only to go down 0-1 at home in the replay.

The Chesterfield club was founded in 1866, turned professional in 1891 and gained admittance to the Second Division of the Football League eight years later. Initially, they did quite well but then they faded and in 1908 and the following year they were forced to apply for re-election. On the latter occasion, they failed in the poll by three votes so they drifted around in non-League circles until the Third Division (North) was formed in 1921.

After ten years of Third Division football, Chesterfield won the divisional Championship and stepped back into Division Two. They survived for only two years but by 1936 they were back in Division Two again.

The second world war came as an interruption but it was in the immediate post-war years that Chesterfield fielded what many consider was their best-ever team. They created a club record by taking fourth place in Division Two in 1947.

By 1951 they were back in Division Three and, after finishing bottom of the table, they dropped into Division Four ten years later. They remained in the basement until winning the Divisional Championship in 1970.

They held their place until 1983 and now, happily, the club is on the upgrade again. It doesn't look as if they will figure in the promotion race this season but it may be a good idea to consider

backing them next season.

#### **CHRIS MARPLES (Goalkeeper).**

Chris is the latest in the line of fine goalkeepers produced by the Chesterfield club. He developed in the junior teams, made his League debut at the start of last season and recently celebrated his 50th League appearance.

#### **BRIAN SCRIMGEOUR (Defender).**

Brian was introduced to senior soccer by Dundee during the 1978/79 season. It took him a couple of years to win a regular place and it was in 1983 that he was transferred to Chesterfield.

#### **STEVE BAINES (Defender).**

Steve was introduced to League football by Nottingham Forest in 1972/73 but he got only limited chances at the City Ground. It was after moving on to Huddersfield that he won a regular place in League football in 1975. Bradford City signed him in 1979 and he held his place in the middle of their defence for two years before transferring to Walsall for £50,000 in 1980. Following a loan spell with Bury, he signed for Scunthorpe in 1982. Chesterfield signed him in 1983 and he has since missed only one game.

#### **LES HUNTER (Defender).**

Another defender of wide experience, Les is in his second spell with the club. He began his career at The Recreation Ground and, after making his League debut in 1975, he made well over 150 League appearances before moving off to Scunthorpe in 1982. He returned to Chesterfield two seasons ago.

#### **SHAUN O'NEILL (Defender).**

Belfast-born Shaun began his career in English football with Leeds United but he didn't get into their senior team. He moved on to Chesterfield and made his breakthrough in 1974, since when he has completed well over 400 League appearances for the club.

**Back Row (left to right):** Andy Wood, Tony Reid, Steve Kendal, Jim Brown, Steve Spooner, Paul Batty, Charlie Williamson.

**Middle Row:** Mick Henderson, Phil Walker, Brian Scrimgeour, Ernie Moss, Les Hunter, Jim Hewitt, Andy Taylor.

**Front Row:** Phil Brown, Shaun O'Neill, Steve Baines (Assistant-Manager), John Duncan (Manager), Kevin Randall (Coach), Mick Hoskin (no longer with club), Brian Ferguson, Dave Caldwell.

**PAUL BATTY (Midfield).** Paul served his apprenticeship with Swindon Town and quickly earned himself a regular place after being given his debut in 1982. He joined Chesterfield this summer.

**STEVE SPOONER (Midfield).** Steve started as a Derby County apprentice but made only eight League appearances for the Rams before moving onto Halifax in 1981. At The Shay, he established himself as a League footballer and he has been a fixture in the Chesterfield side since his transfer in 1983.

**MIKE HENDERSON (Midfield).** Mike started as a defender with Sunderland, winning his chance in their senior side in 1975/76. He made around 100 first-team appearances for the Rokerites before transferring to Watford for £150,000 in 1979. He moved on to Cardiff City two years later and then linked with Sheffield United in 1982. Chesterfield signed him last season.

**CHARLIE WILLIAMSON (Midfield).** Charlie got his League chance with

Sheffield Wednesday in 1979/80 and went on to make in excess of 50 appearances for the Owls. When he lost his place in 1983/84 he spent a loan period with Lincoln City. Chesterfield signed him this summer.

**TONY REID (Midfield).** Tony was signed from Newport County this summer. Once a Derby apprentice, he made his first League appearances for the Rams in 1980/81. It was following a loan spell with Scunthorpe that he moved on to Newport in 1983.

**ERNIE MOSS (Forward).** Veteran Ernie, now in his third spell with Chesterfield, is one of the Football League's most prolific goalscorers with 216 to his name so far. Chesterfield launched his League career in 1968/69 and he was on three occasions their leading scorer before moving on to Peterborough in 1976. Next stop was Mansfield later that same year and he made his first return to Chesterfield in 1978. Top scorer with 18 goals in 1979/80, he moved on to Port Vale in 1981, leading their scoring list with 17 in

his first season. He moved on to Lincoln towards the end of the following season and then spent 1983/84 with Doncaster. He rejoined Chesterfield in 1984 and is at the moment their leading scorer with 10 goals.

**PHIL BROWN (Forward).** Phil was discovered in local junior football and was given one brief outing in their League side, as substitute, in 1982/83. He won a regular place last season.

**DAVE CALDWELL (Forward).** Mansfield discovered Dave in Scottish junior football and he was blooded in the Stags' League eleven in 1980. In 1983/84 he was their best marksman with 23 goals. Chesterfield signed him this summer.

**PHIL WALKER (Forward).** Phil returned for his second spell with the club last season. It was in 1977/78 when he was drafted into Chesterfield's League eleven and he soon played himself into the side. He moved on to Rotherham in 1982 and spent a short period with Cardiff on loan the following season.

# CLUB NEWS

## In Retrospect

We welcome Chesterfield to Burnden Park today for their first League visit since September 1972. All their previous visits in the competition have ended in defeat and indeed the Derbyshire side have only managed to score on three occasions which all came in a 4-3 Bolton win in February 1905.

It was during that season that Chesterfield registered their first of only two League victories over Bolton. The Wanderers visited Chesterfield for a Second Division game in October 1904 as joint leaders of the Division with Liverpool and with a 100 per cent record in their first six games. Chesterfield were in mid-table and both sides were weakened for the game with Stokes of Bolton and Munday of Chesterfield taking part in the inter-league game against the Irish League in Belfast.

A crowd of 3,000 witnessed a goalless first half and the Wanderers reappeared with only 10 men for the second period, White having been injured. In the 81st minute Taylor scored from a free kick for Chesterfield and this turned out to be the winning goal inflicting Bolton's first defeat that season. The defeat cost the Wanderers top spot with Liverpool taking a two point lead.

The return at Burnden in February 1905 produced probably the most exciting game between the two clubs. It was Chesterfield's third visit to Burnden and they had lost the previous two by 3-0 and 4-0 respectively also in the Second Division.

The teams took to the field with Chesterfield 'keeper, Hardy, wearing a different coloured shirt than his colleagues as would be expected today. In those days, however, goalkeepers were exactly the same colours as the rest of the team and the Wanderers captain Struthers made the point and Hardy made a quick change.

A crowd of 8,596 saw Bolton take the lead in the 22nd minute when Marsh fastened onto a Wilson corner to send a rasping shot into the bottom corner. Chesterfield equalised almost immediately when Wanderers 'keeper, Davies failed to hold a Munday shot and Tomlinson steered the rebound into the net. Bolton regained the lead two minutes from the interval when following Marsh's persistency, Wilson volleyed past Hardy, local centre forward Shepherd grabbed the third for Bolton when he outran the defence and delightfully chipped home. It was such a well taken goal he was even congratulated by Chesterfield full back Marples, who shook him by the hand!

Chesterfield pulled a goal back through Taylor and the crowd were stunned to silence when Munday headed home to make it 3-3. The referee had to speak to several players as the play became rough and in one such incident five minutes from time Bolton were awarded a penalty when Shepherd was pushed.

Marsh converted the kick to give the Wanderers a 4-3 win and a six point lead at the top of the Division with Liverpool and Manchester United in pursuit.

The two sides for that game were:

Bolton: Davies, A. Taylor, Struthers, Clifford, Greenhaigh, R. Taylor, Stokes, Marsh, Shepherd, White, Wilson.

Chesterfield: Hardy, Marples, Ray, Haigh, Banner, Tye, Tomlinson, Thacker, Taylor, Munday, Evans.

Our most recent League meetings took place in 1972/73 with the Wanderers completing the double, both games ending 1-0. In September 1972 at Burnden it wasn't until the dying seconds of the game that the Wanderers grabbed the winning goal. In what was a thrilling game Alan Waldron picked up a Roy

Greaves pass 30 yards out moved forward and fired home past the helpless Phil Tingay in the Chesterfield goal. Waldron, who proved to be the hero of the hour, almost missed the game having been ill during the day prior to the match.

The last League game between the clubs was in November 1972 at Saltergate when Stuart Lee netted the winning goal after only six minutes for the Wanderers. As a result of the victory Bolton went to the top of the Third Division.

Chesterfield have visited Burnden on other occasions outside the Football League, winning an FA Cup tie by 2-0 in 1911 and more recently for a friendly in 1975, the Wanderers winning 2-1.

Our League record against Chesterfield is as follows:

|       | P  | W | D | L | F  | A  |
|-------|----|---|---|---|----|----|
| HOME  | 6  | 6 | 0 | 0 | 17 | 3  |
| AWAY  | 6  | 2 | 2 | 2 | 8  | 7  |
| TOTAL | 12 | 8 | 2 | 2 | 25 | 10 |

## In Reserve

### 20th November 1985

#### Bolton Wanderers Res 2 Sunderland Res 0

Bolton did extremely well to defeat a Sunderland side full of experience, including four members of last season's Milk Cup Final side.

The Wanderers' first goal came in the 36th when Paul Fitzpatrick, who played in a midfield role, struck home a direct free-kick from 20 yards, curling it delightfully round the defensive wall. Bolton weathered the Wearsiders' efforts to equalise with 'keeper Kevin Mailey doing particularly well.

Nine minutes from time the Wanderers made sure of the points when substitute Paul Hughes netted with a curling shot from an acute angle beating 'keeper Cameron Duncan's despairing dive.

Team: Mailey, Lloyd, Whitlow, Fitzpatrick, Sutton, Winstanley, Darby, Allen, McCarty, Roberts, Phillips, sub. Hughes for Phillips.

### 26th November 1985

#### Notts County Res 4 Bolton Wanderers Res 2

The following week the tables were turned when an experienced Bolton side went down at Notts County although the home side had 'keeper Tim Dalton to thank, as he made five fine saves in one against one situations.

The Wanderers had got off to a fine start when Tony Caldwell slotted hom in the first minute but the lead was short lived as Paul Barnes equalised three minutes later. Tony Daws put County in front after a quarter of an hour and on the stroke of half time Mark Harbottle put them 3-1 up from the penalty spot, awarded after Mark Came and Dave Sutton had brought down Paul Barnes.

Harbottle grabbed County's fourth in the 57th minute and it wasn't until 12 minutes from time that Tony Caldwell reduced the arrears after some good work on the right involving Roger Walker and Steve Thompson.

Team: Farnworth, Fitzpatrick, Winstanley, Thompson, Came, Sutton, Walker, Caldwell, McCarty, Bell, Roberts. Sub: Senior.

## Youth Team News

### 25th November 1985

#### Bolton Wanderers 1 Burnley 1

CHRIS BANKS

The Wanderers were the better side for much of this second round Lancashire FA Youth Cup tie and deservedly took the lead seven minutes into the second half. An Ian Mullineux cross was dummied by Paul Allen leaving Chris Banks the simple task to score from close in.

Burnley didn't pose any real problems for the Wanderers' defence but six minutes from time a mistake by substitute Paul Griffin allowed Heesom in who shot past the unsighted Kevin Mailey to force a replay.

## Down memory lane

**15 years ago 28th November 1970.** Bolton took a point in a 1-1 draw with Watford at Vicarage Road. Tom Walley gave the home side the lead, on a gluepot pitch, in the 65th minute but it took the Wanderers only two minutes to equalise.

Don McAlister got to the byline to send over a pin point cross that found centre forward, John Manning, who sent a powerful downward header spinning into the net.

**5th December 1970.** Swindon Town visited Burnden and registered their first away win of the season with a comprehensive 3-0 scoreline. Don Rogers grabbed two goals for the Wiltshire side which sandwiched a Chris Porter effort.

During the week Eddie Hopkinson was making an attempt to get Portuguese star Eusebio to take part in his testimonial which was being arranged for the following April. Long serving full back Syd Farrimond was granted a free transfer after taking his case to an independent tribunal.

**11th December 1970.** Bolton went down 1-0 to Middlesbrough at Ayresome Park, the winner coming in a 75th minute scramble, from John Hickton. Gordon Taylor made his last appearance for the Wanderers with his £18,000 transfer to Birmingham City taking place four days later.

**10 years ago 29th November 1975.** Bolton's run of 16 League games without defeat ended in front of 18,710 spectators and the TV cameras as West Brom won 2-1 at Burnden.

Joe Mayo headed Albion into a fifth minute lead but Roy Greaves equalised also with a header after 20 minutes play. The winner came in the 74th minute when Bryan Robson beat Barry Siddall with a low drive ending Bolton's hopes of equalling a 75 year old record of 17 consecutive games without a defeat. Robson only came into the Albion side at the last moment when player manager Johnny Giles went down with flu.

**2nd December 1975.** Bolton's youth team went through to the third round of the FA Youth Cup tie with a 2-0 win over Wrexham at Burnden. An own goal from keeper Eddie Niedzwiecki, now with Chelsea, and a scrambled goal by Paul Gethin separated the sides.

**6th December 1975.** Bolton recovered from the previous weeks defeat to win 1-0 at Chelsea. Roy Greaves scored the all important winner after 14 minutes but it took a penalty save from Barry Siddall in the 86th minute to earn Bolton's victory. Roy Greaves had handled the ball on the line and Ray Wilkins took the kick with Siddall making a brilliant diving save.

**13th December 1975.** The Wanderers extended their unbeaten away run to ten games with another visit to London and a 2-1 victory at Fulham. Neil Whatmore opened the scoring in the 8th minute and although Alan Slough equalised before half time Garry Jones made sure of the points with a spectacular effort on the hour.

**5 years ago 29th November 1980.** Bolton took a point from a 2-2 draw in blizzard conditions at Luton Town. Ricky Hill had given the home side a first half lead but a Neil Whatmore double strike in the 54th and 66th minutes gave the Wanderers a lead they held onto until five minutes from time when Brian Stein equalised.

**6th December 1980.** The Wanderers defeated Orient 3-1 at Burnden although they were made to fight until the last minute to be sure of the points.

Neil Whatmore opened the scoring and Brian Kidd shot the duo's 20th goal of the season in the 24th minute to give Bolton a comfortable lead. Peter Taylor pulled one back after 76 minutes for the Londoners causing a few nail-biting moments for Bolton until Brian Kidd sealed it in the dying seconds. John Thomas made his league debut for Bolton coming on as substitute for the injured Mike Walsh who was to end a run of 126 consecutive league appearances.

**13th December 1980.** Bolton visited bogey ground Bristol City and again came away without reward in a 3-1 defeat. Ian Brennan made his Wanderers debut in place of the injured Mike Walsh following his transfer from Burnley.

Alan Gowling was on the mark for Bolton with a penalty equalising Kevin Mabbutt's opening goal for City but second half goals from Mabbutt and Peter Aitken decided the issue.

Team: Mailey, Hughes, Whitlow, Lloyd, Haydock, Winstanley, Darby, Allen, Banks, Shawcross, Mullineux. Subs: Griffin and Higgins (both used).

**28th November 1985**

**Rotherham United 3 Bolton Wanderers 0**

Bolton crashed out of the FA Youth Cup with three second half goals from the Yorkshiremen doing the damage. The Wanderers had the slight edge in a competitive first period played on a slippery surface. Unfortunately on the stroke of half time Wanderers full back Mike Whitlow was given his marching orders after a fracas with United winger Nigel Pepper.

It was a harsh decision by the official who allowed too many things to go unpunished including a blatant kick at Paul Hughes by United midfielder Mike Phillip.

For the record United's goals came from a couple of efforts by Nigel Pepper which sandwiched an Andy Morris 20-yard shot. Team: Mailey, Hughes, Whitlow, Lloyd, Haydock, Winstanley, Darby, Allen, Banks, Watson, Mullineux. Sub: Griffin for Banks.

### Junior Whites News

Today's mascot is Michael Smith who lives on Crummock Grove, Farnworth, Michael is six-years-old and attends St Gregory's Primary School. He is too young as yet for the school football team but enjoys PE. His favourite players are Warren Joyce and Simon Farnworth.

Don't forget that tomorrow is the Junior Whites Christmas Party which commences at 2.30 until 4.30 in the Executive Suite here at Burnden. Wanderers players and Father

Christmas will be in attendance and youngsters are encouraged to come along in fancy dress.

Junior Whites member Stuart Jones, who was mascot for the last home game against Derby, failed to have his photograph in the programme so we print it today.

## CHAIRMAN NEAL RILEY OUTLINES THE MANAGERIAL CHANGES

When we appointed Charlie Wright as our manager back in February we were obviously hoping for better things for Bolton Wanderers. Long discussions were held during the summer when it was agreed that we should bring new players into the club and at the start of the season we were hopeful that results would begin to go our way.

Unfortunately that has not happened. Neither results nor performances have come up to expectations and certain decisions had to be taken if we were to keep the club in the Third Division and in the not too distant future get back in the Second and ultimately the First.

It was a harsh decision we took last week to dismiss two loyal servants in Charlie and Walter Joyce. But I think they understood the circumstances.

It's not the nicest of jobs as a chairman of a club to have to dismiss staff when you know they have dedicated themselves 24 hours a day to their duties. But despite their efforts they were not coming up with the results we need and it is one of the pitfalls of football that if you are not successful you lose your spectators and if the public don't like your brand of football, changes have got to be made.

That is all in the past now I hope. We have got to look forward now

to a new manager coming in to motivate the team to do better than they have done in the last two or three years.

We have advertised the job nationally and I can tell you that we are looking for the pick of the managerial talent that is now available.

We can't do anything better than that. We decided against making any quick, rash decisions which might have involved an automatic promotion from within. We are looking for applicants with some standing in the game.

That is where Nat Lofthouse came in. Nat has taken charge of team affairs temporarily knowing he was giving us time to study the market place without being rushed into making an appointment we might regret later.

We plan to make a cool and calculated assessment of the position and, hopefully appoint the right man.

In the meantime we have in Nat Lofthouse a man who knows Bolton Wanderers, a man who was a professional footballer himself and a man who is not exactly new to management.

Nat knows the position is only temporary but despite not wanting to be considered for the job on a permanent basis he has a great deal of enthusiasm and an unquestioned love of Bolton Wanderers which, we hope, will see us over the period until we can make the necessary appointment.

We plan to waste no time in making that appointment once we know exactly who is available and who are, as directors, consider the likeliest candidates for the job.
